Getriebemotor mit Abdichteinheit SWING airless

Geared motor with sealing unit SWING airless

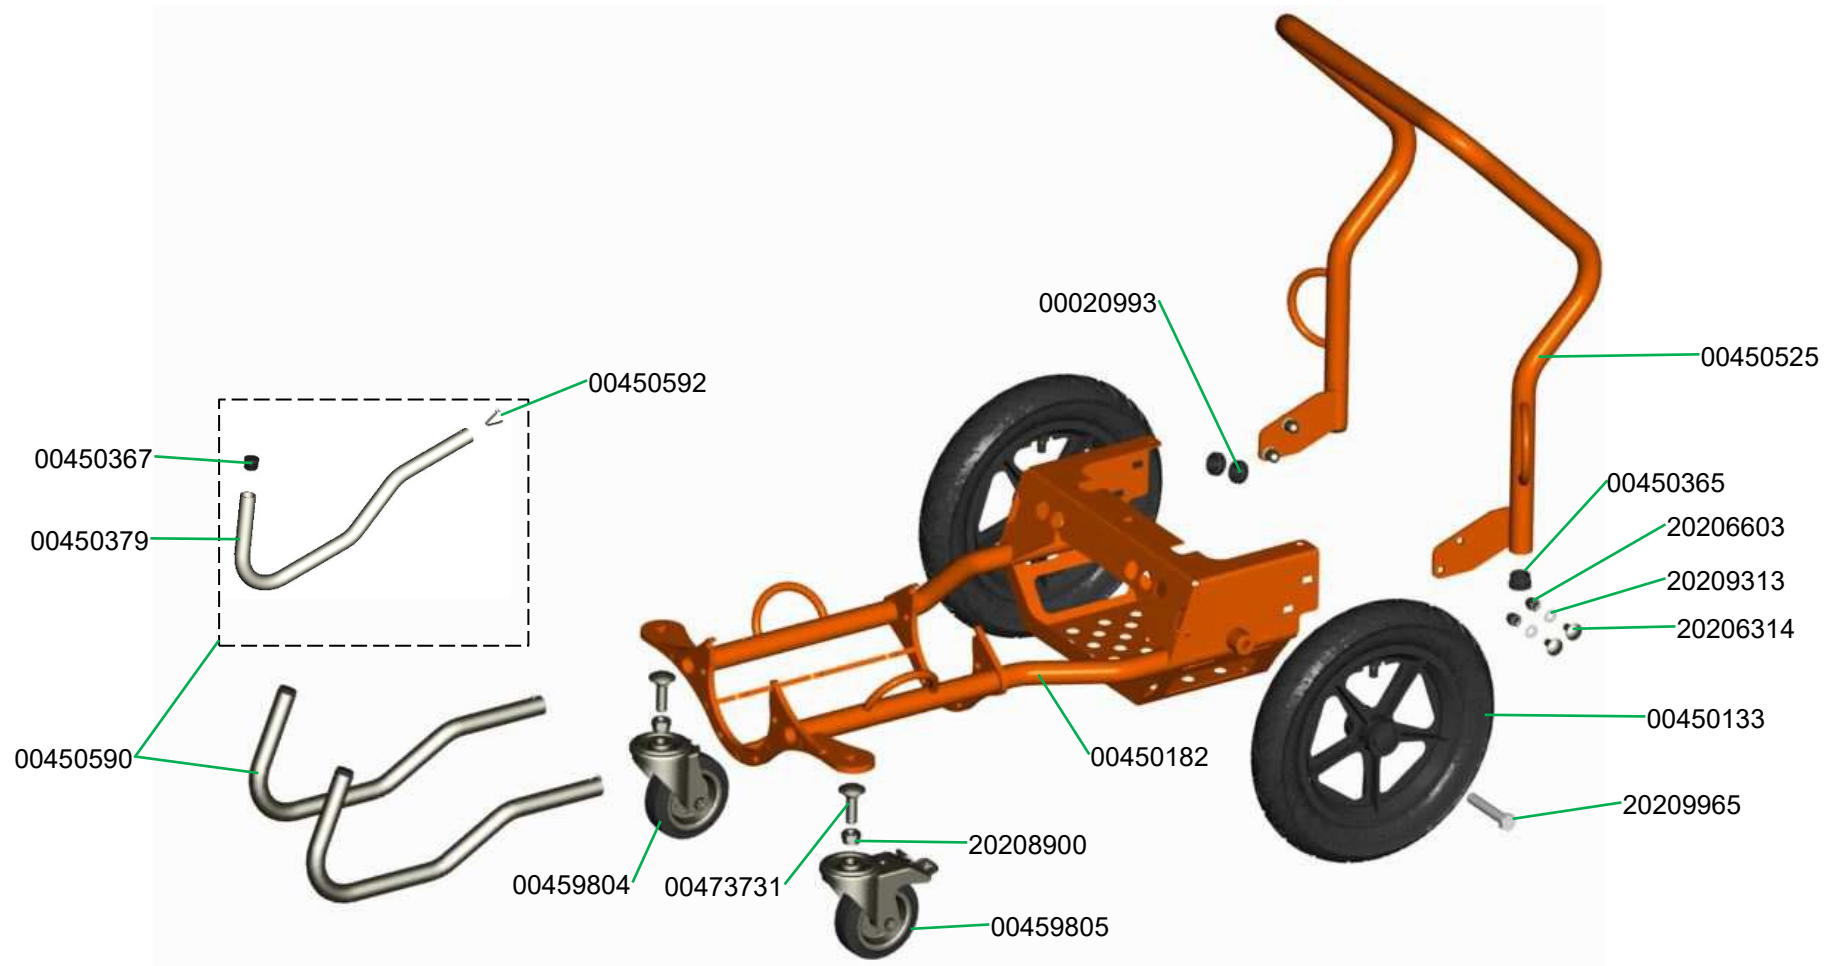

SWING airless L 230V

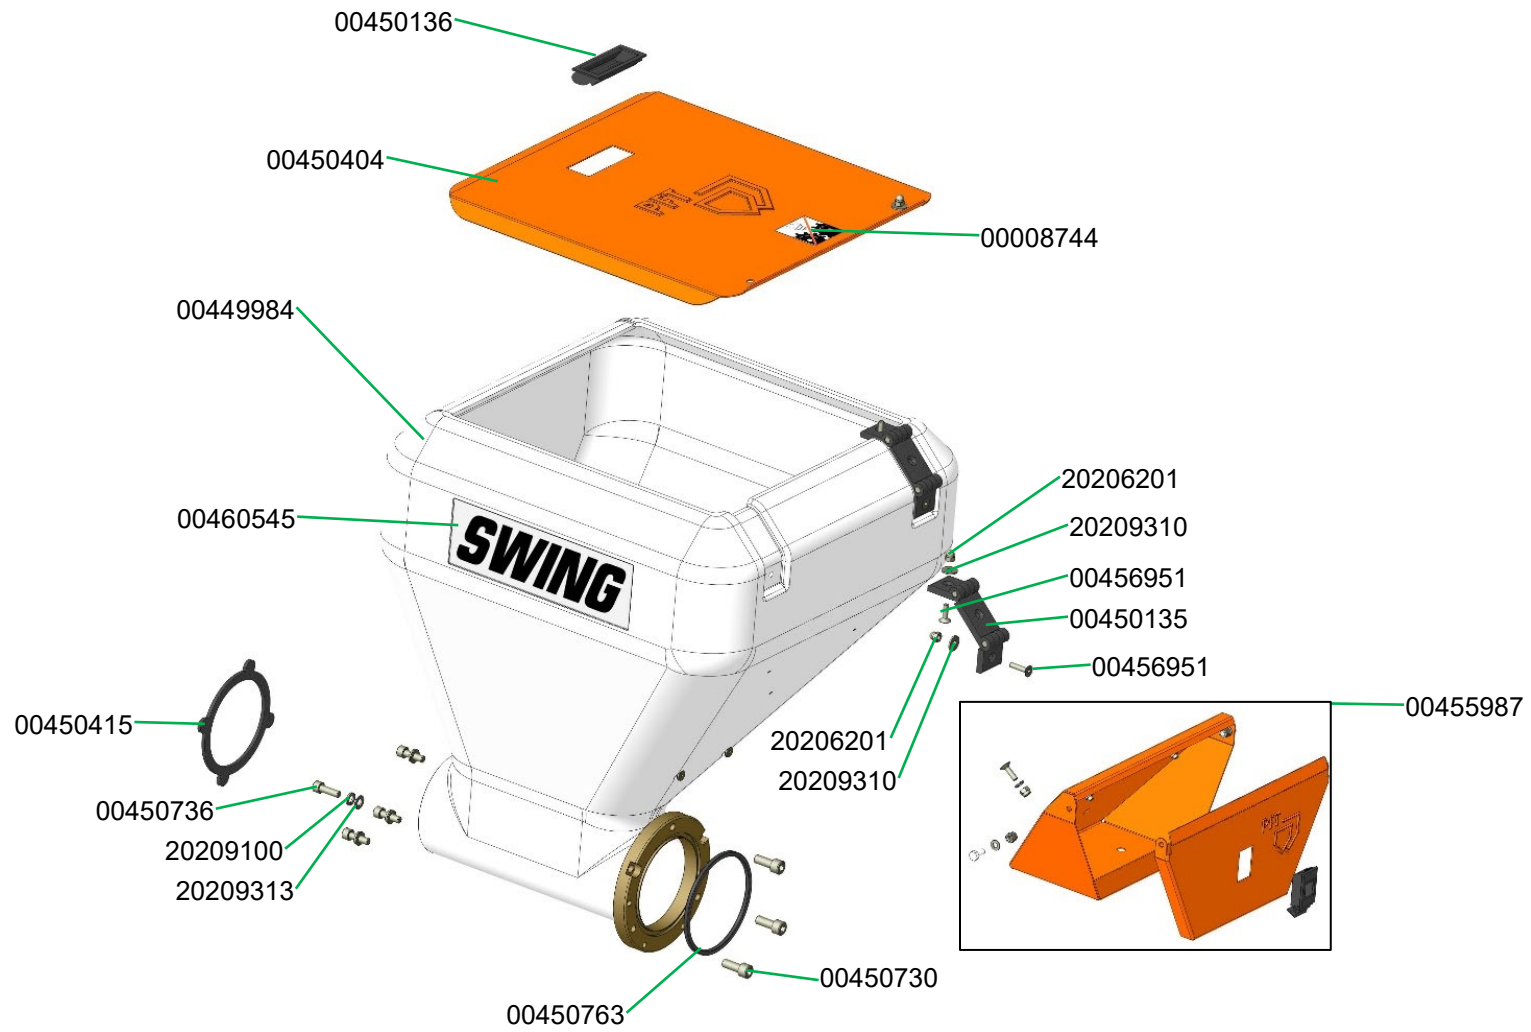

Fahrgestell SWING airless

Carrier SWING airless

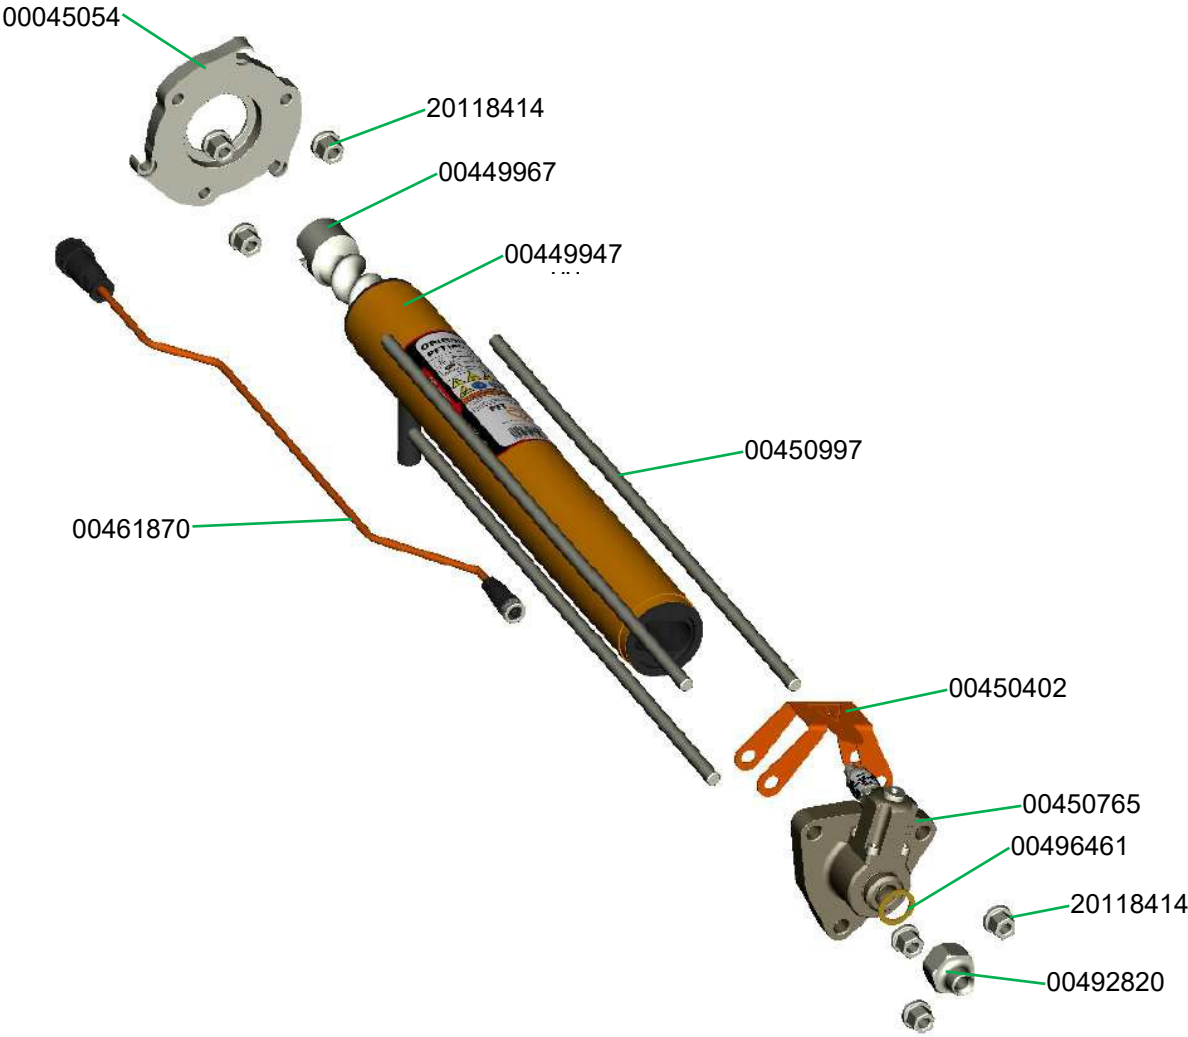

Materialbehälter Kunststoff SWING airless

Material hopper plastic SWING airless

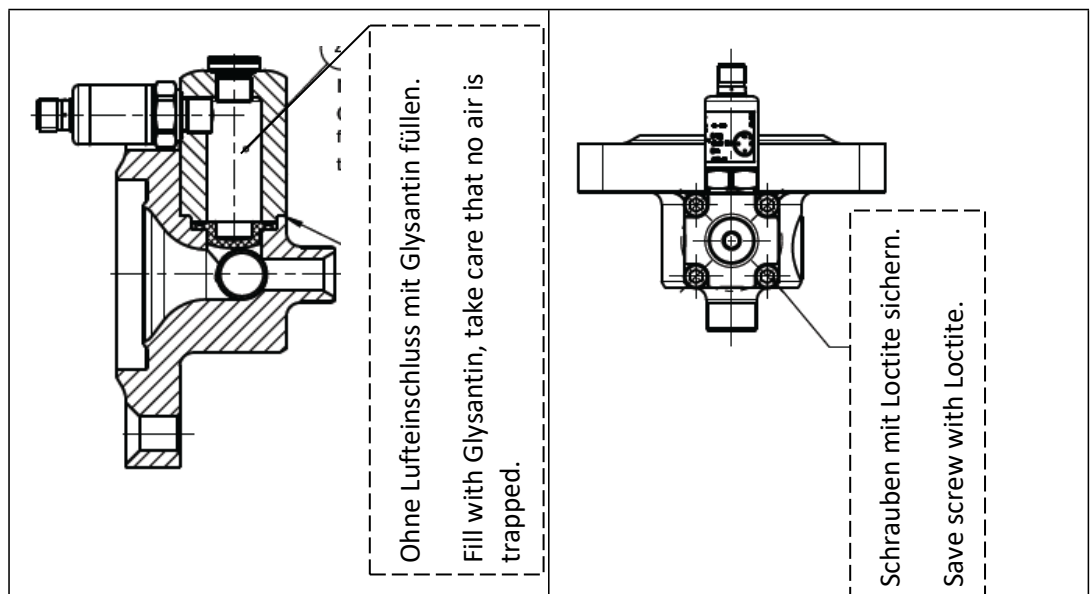

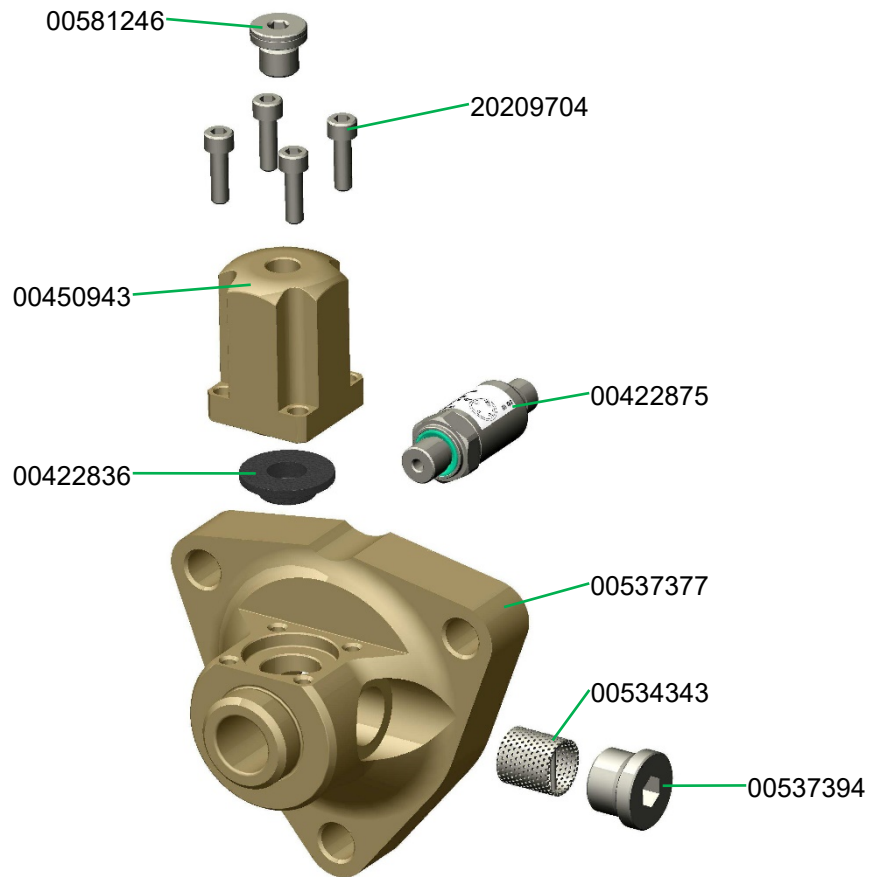

Pumpeneinheit SWING airless kpl. Artikelnummer 00450766

Pump unit SWING airless cpl. part number 00450766

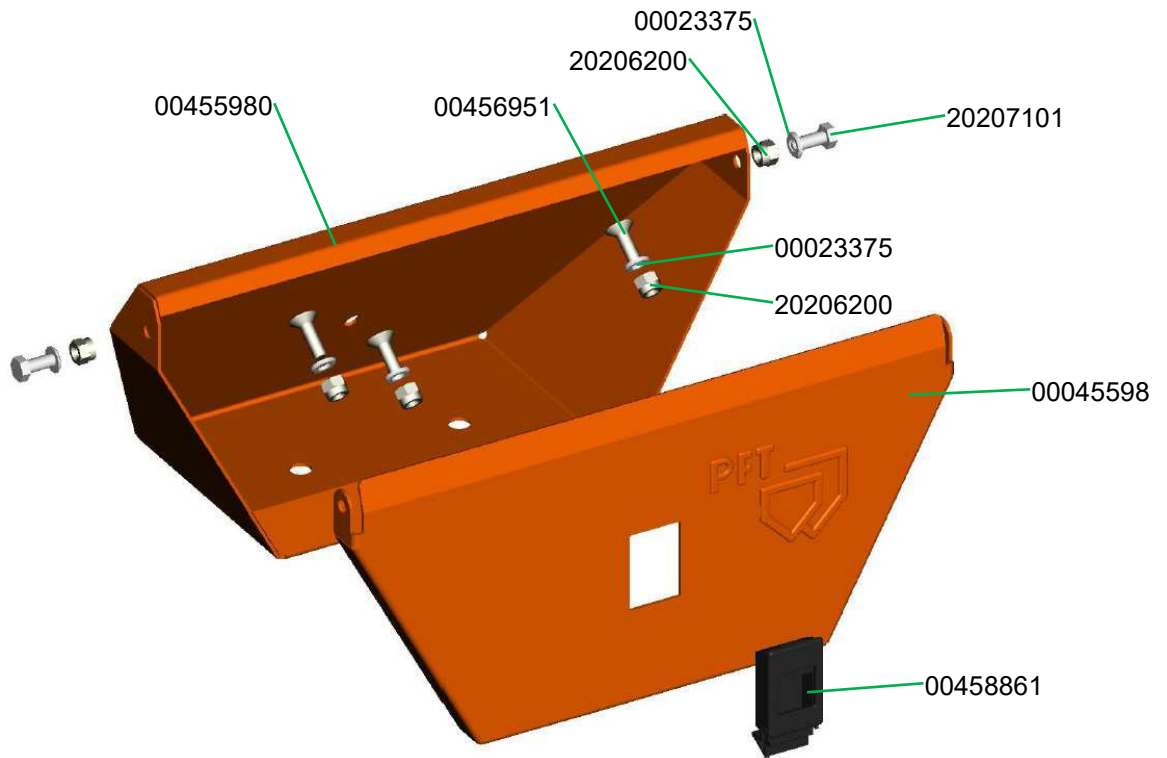

Druckmittler SWING airless kpl. Artikelnummer 00450765

Pressure seal SWING airless cpl. part number 00450765

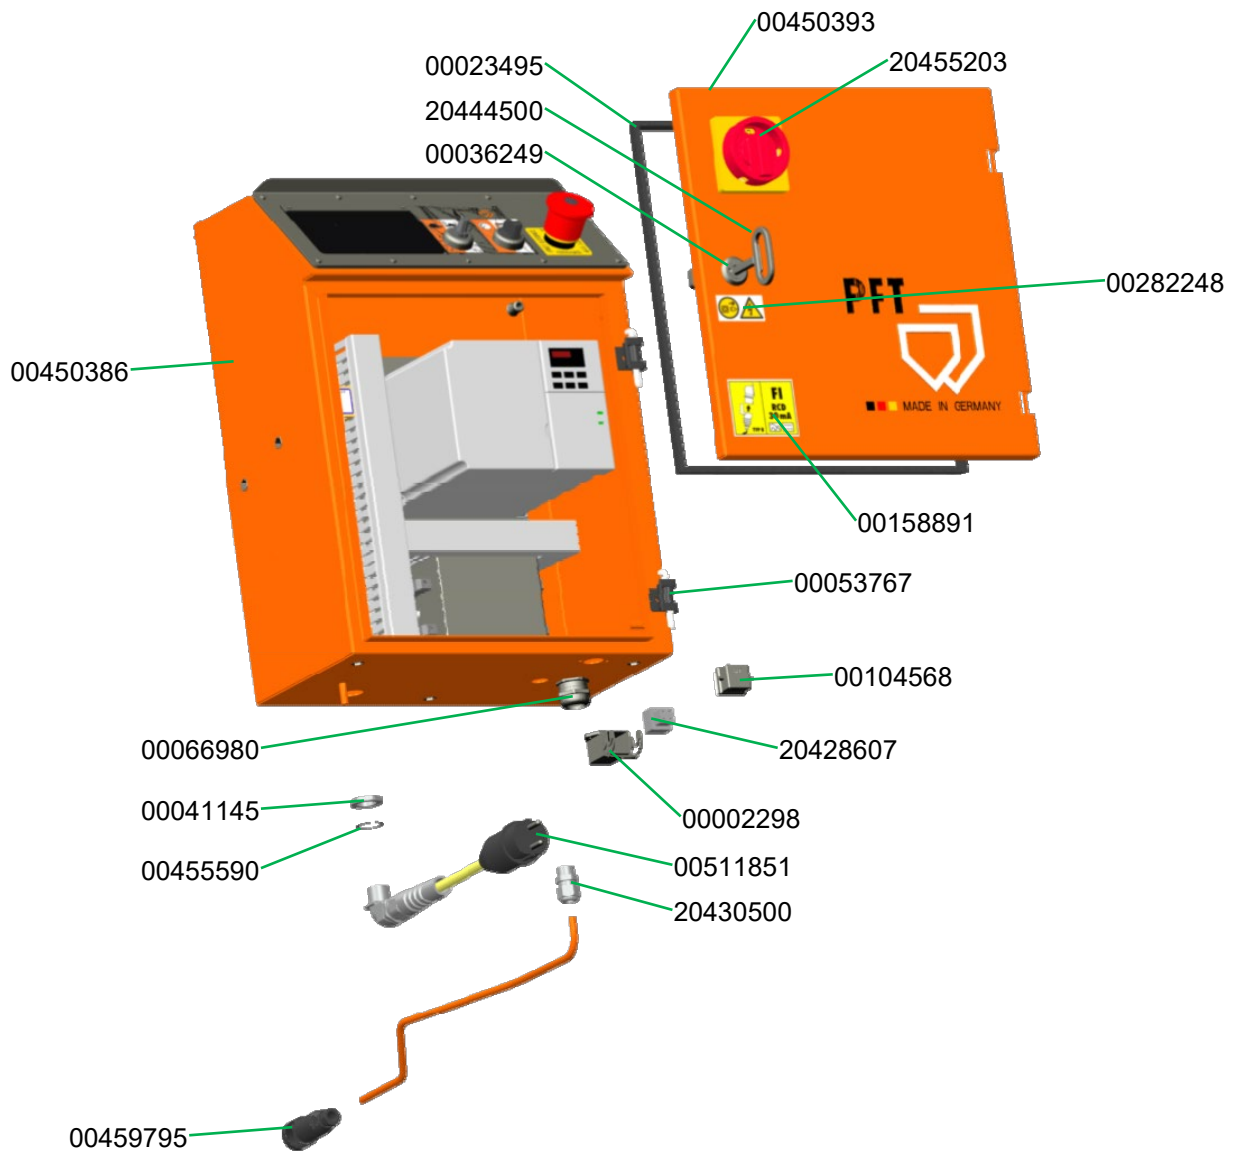

Werkzeugkasten SWING airless kpl. Artikelnummer 00455987

Tool box SWING airless cpl. part number 00455987

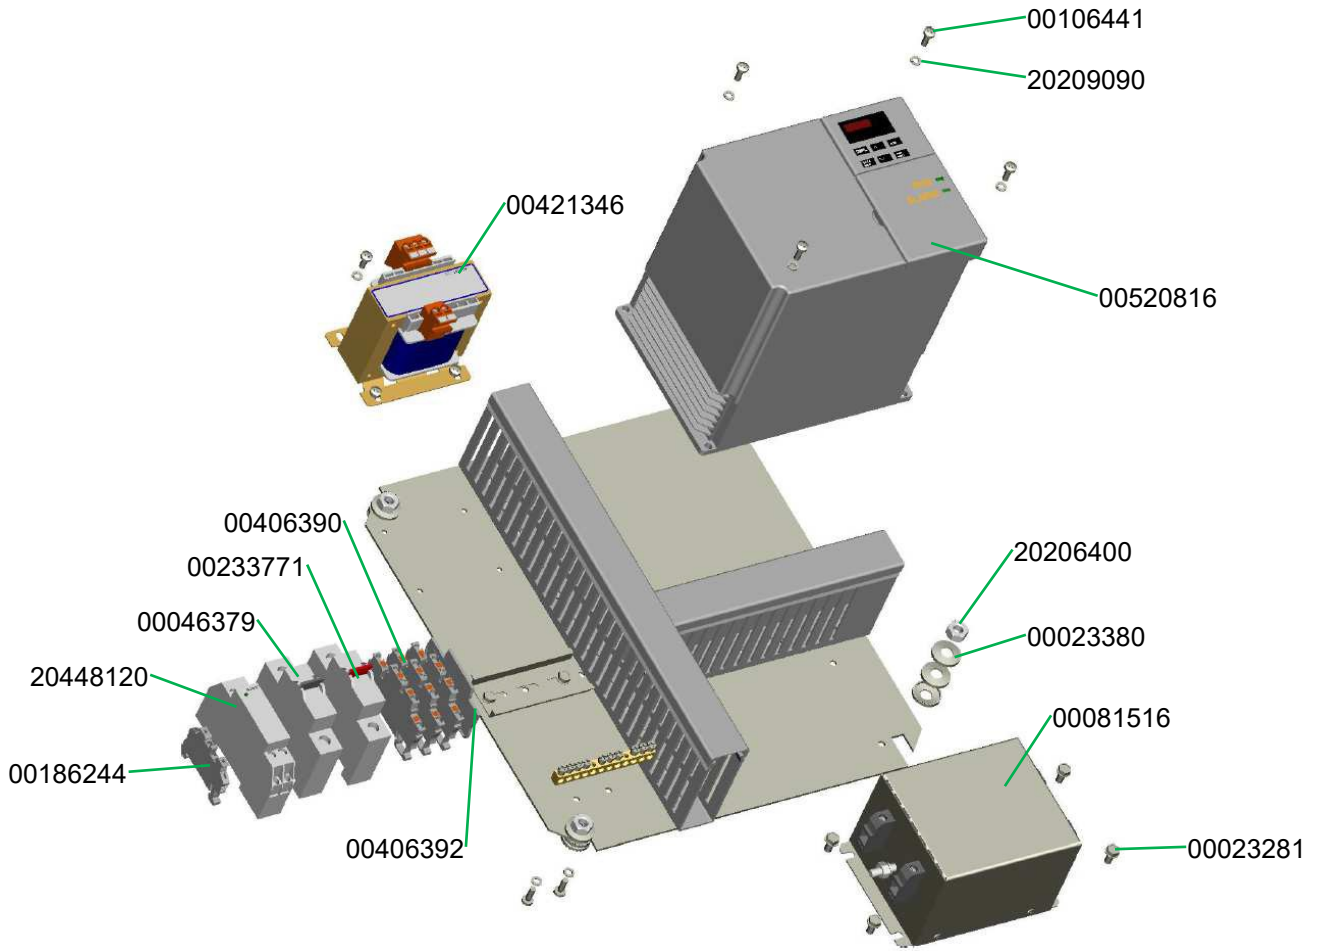

Schaltschrank SWING airless Artikelnummer 00451361 kpl.

Control box SWING airless part number 00451361 cpl.

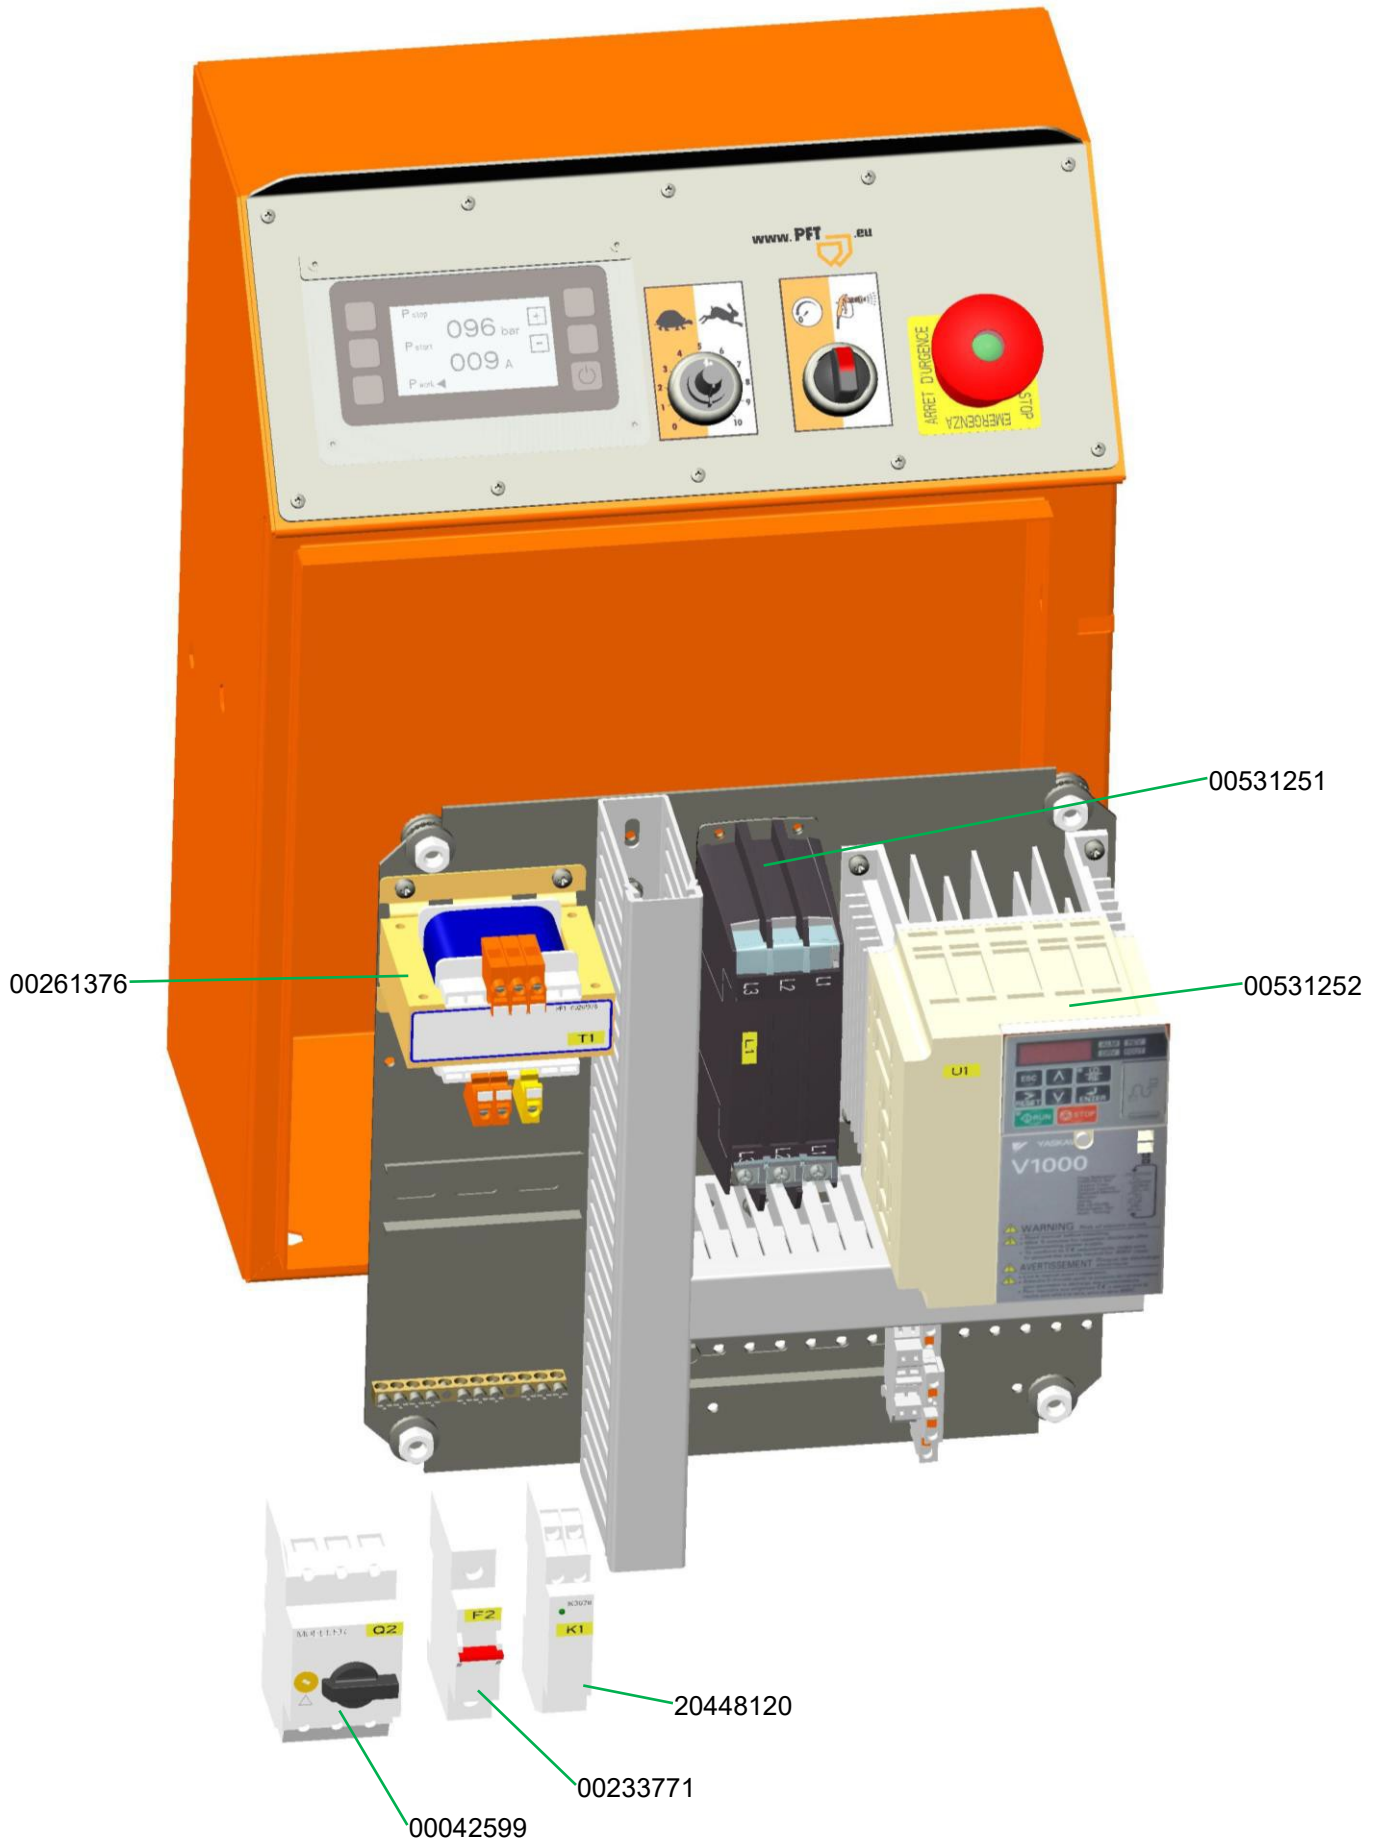

Montageplatte SWING airless

Mounting plate for SWING airless

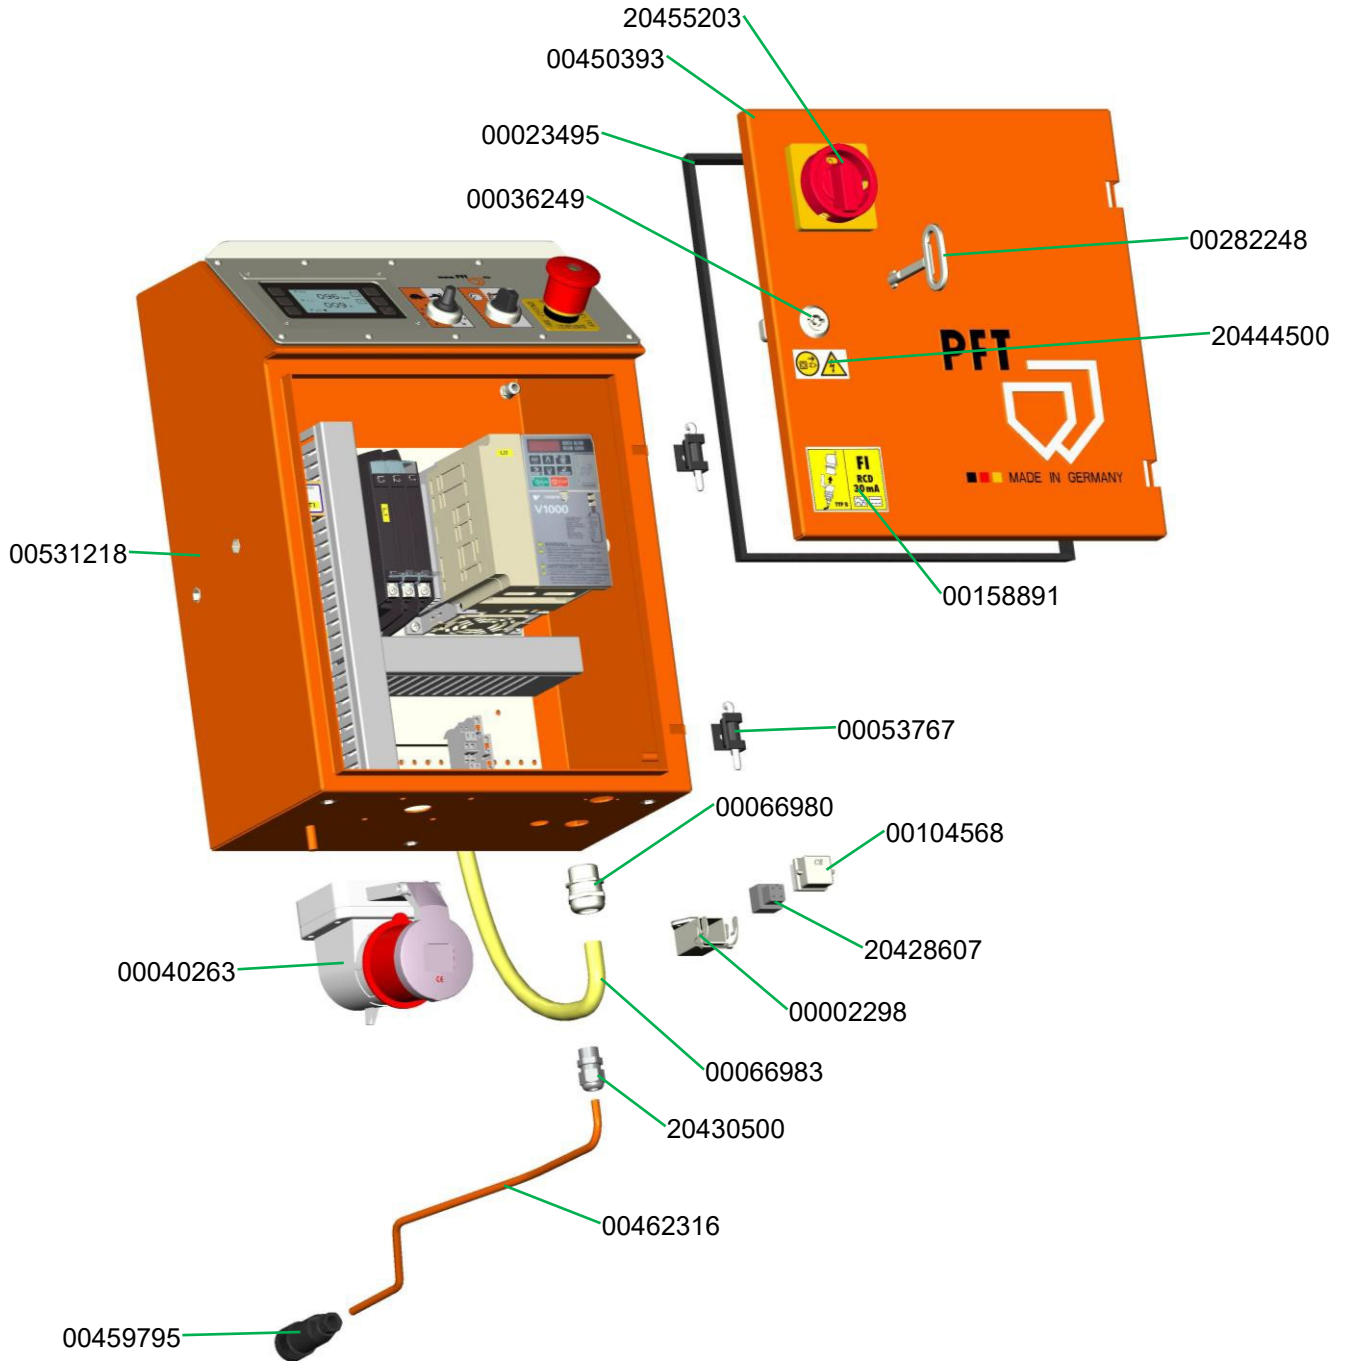

Schaltschrank SWING airless 400V FC Artikelnummer 00531099

Control box SWING airless 400V FC part number 00531099

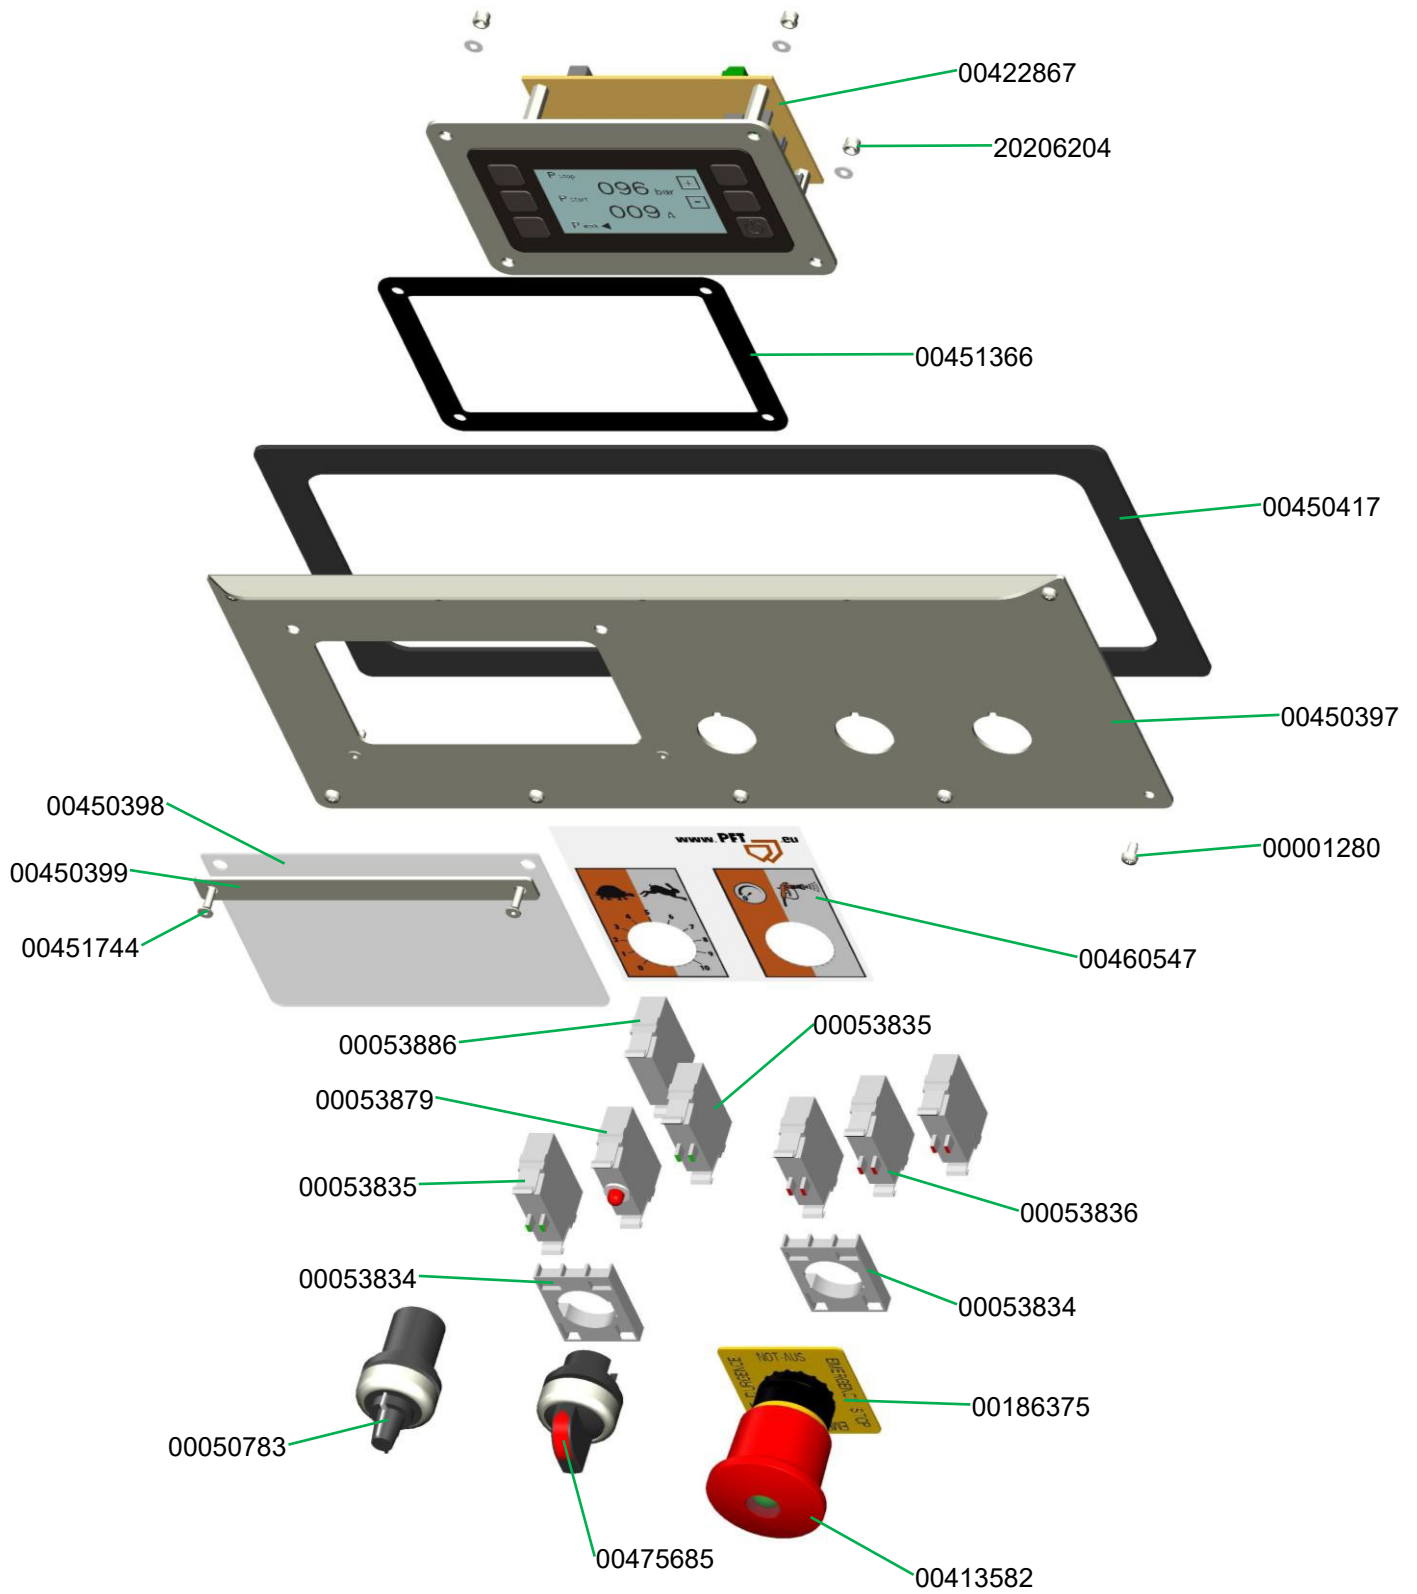

Schaltschrank SWING airless 400V FC Artikelnummer 00531099

Control box SWING airless 400V FC part number 00531099

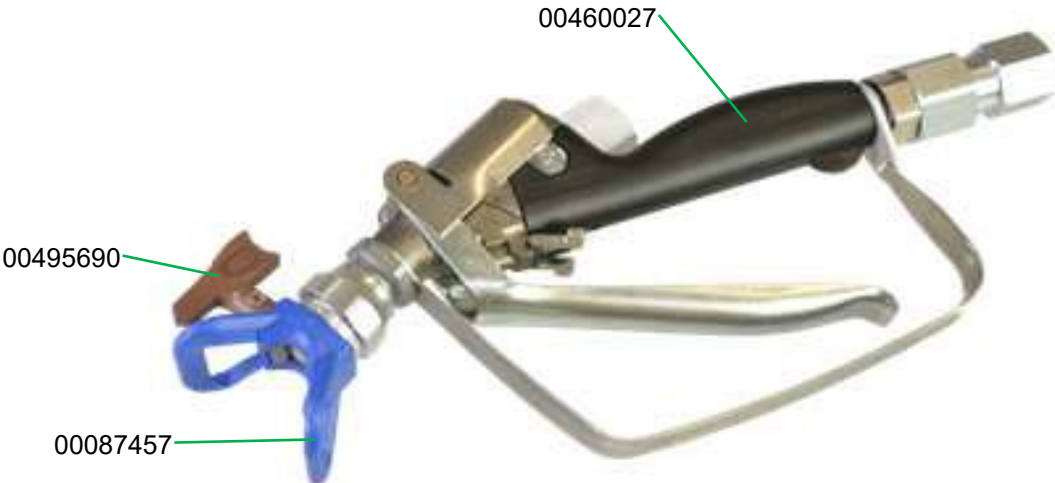

Schalterblende SWING airless

Panel switch SWING airless

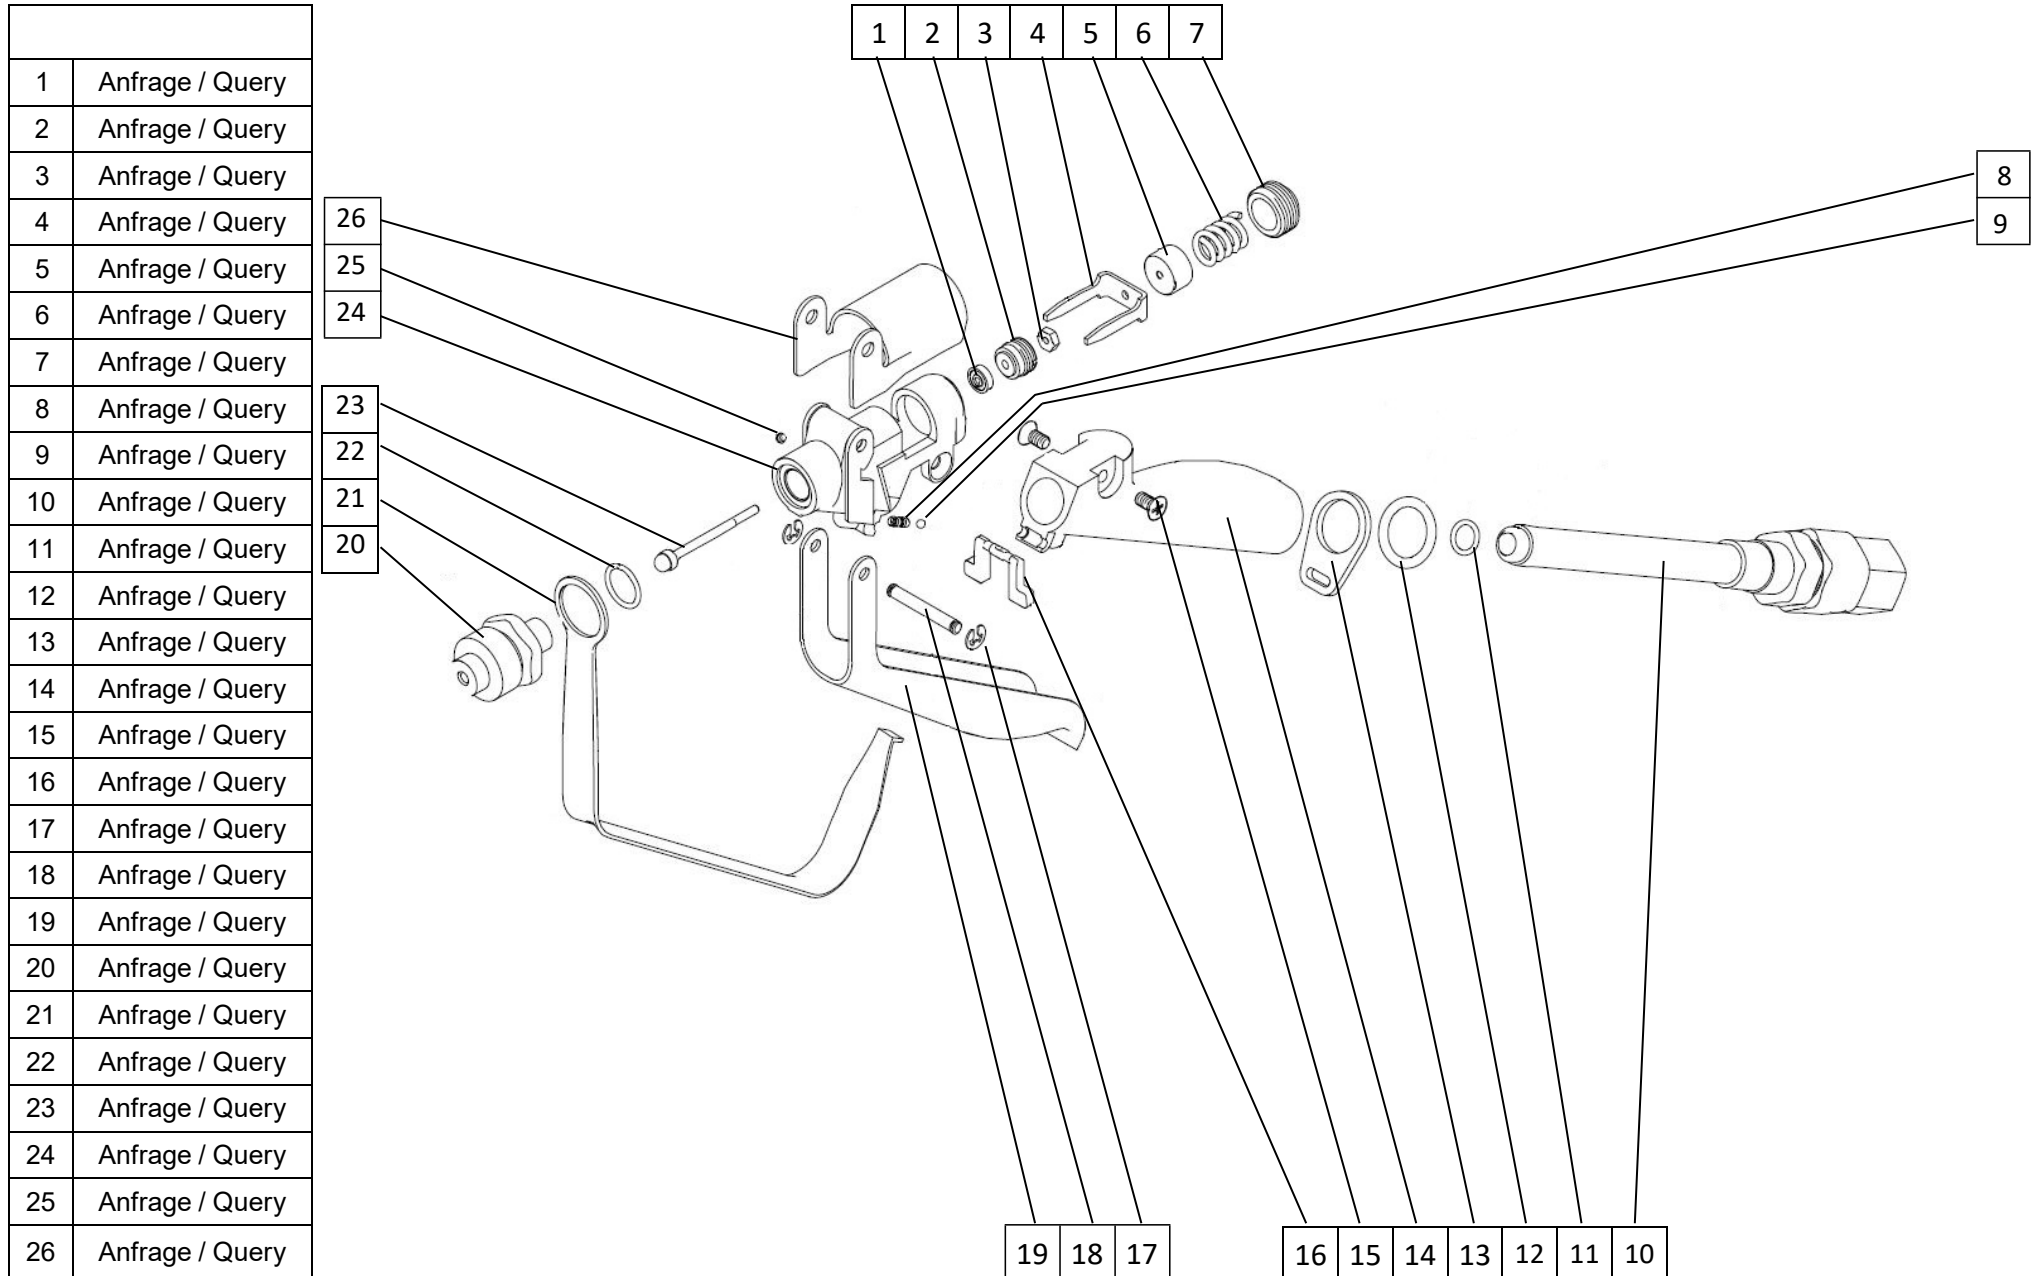

Spritzpistole / RONDO DN12

Spraying gun / RONDO DN12

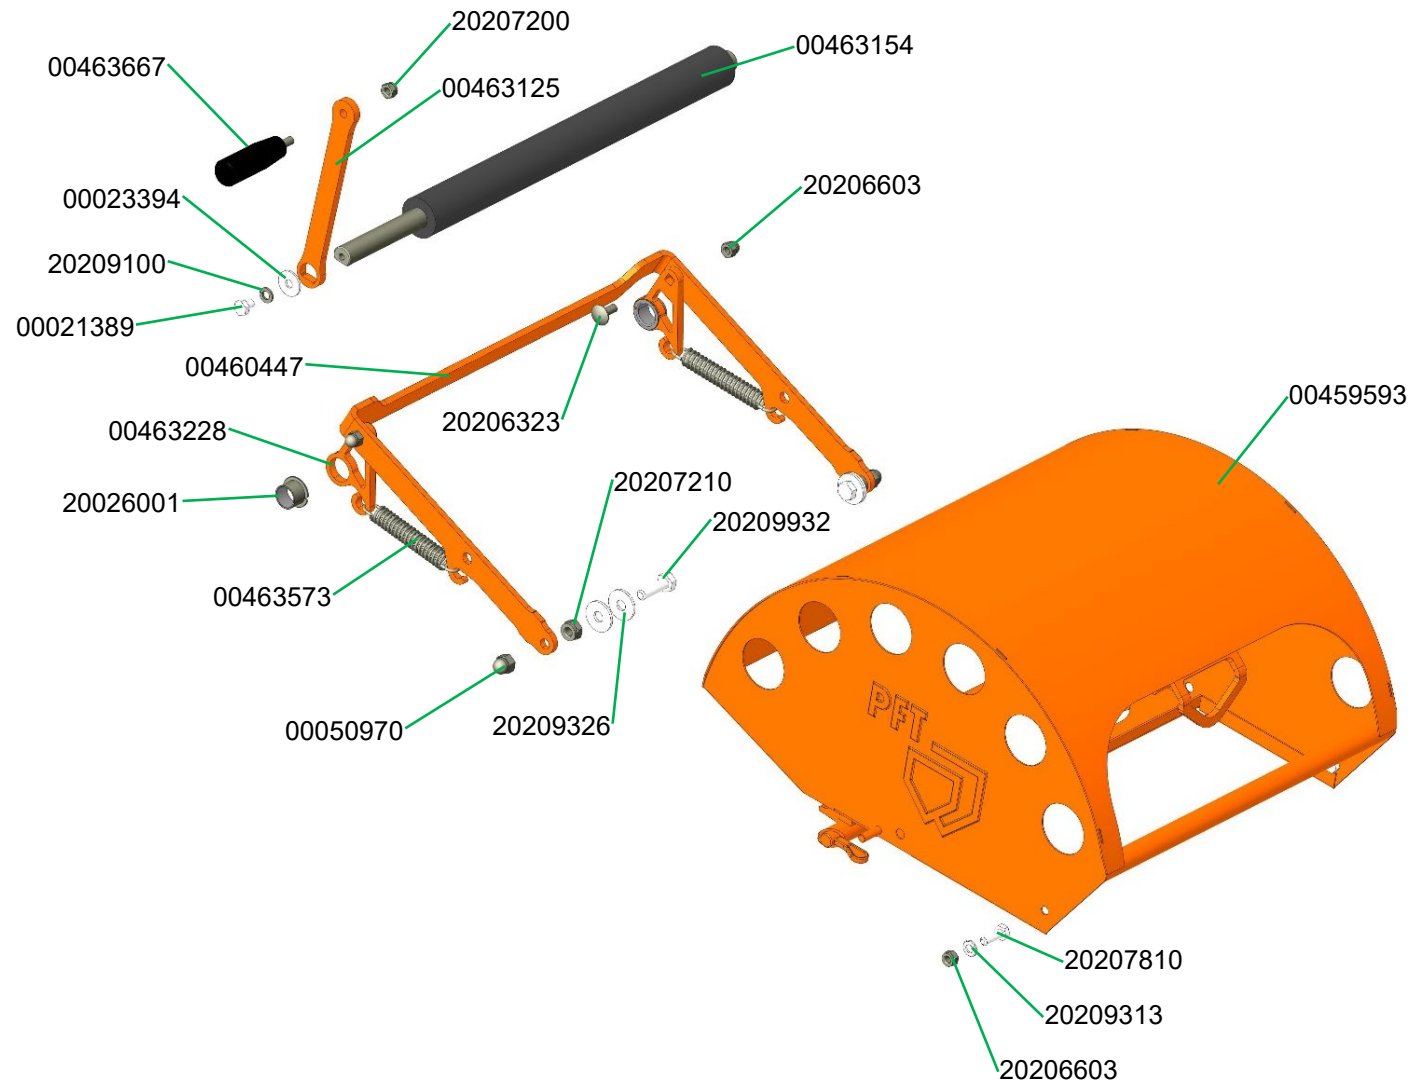

Spritzpistole SWING airless Artikelnummer 00460027

Spraying gun SWING airless part number 00460027

Sackmangel SWING airless Artikelnummer 00459811

Bag squeezer SWING airless part number 00459811

Spritzset Farbe SWING airless Artikelnummer 00503759 kpl.

Spraying set colour SWING airless part number 00503759 cpl.

00503759

00503783
